"Happy Days"

at Alleghany

As the songs reflected the nostalgia of days past, so did the students. Seniors began to ponder about the days when they first passed through the doors of Alleghany.

Alleghany became more than a school for the students, it became a source of learning and growing.

Responsibilities were assumed by many and shirked by others. Tears were shed when friends departed, smiles were exhibited by those who experienced the joy of being asked to attend the prom or receiving an A on that very difficult paper.

Although the country faced difficult problems, the people at A.C.H.S. kept their chins up and made this year some of the happiest days in their lives.

ACHS Pays Tribute

Mrs. Bonnie Hodges

When the time comes to select a recipient of the *Alcova* dedication, there is usually a number of people from which to choose. The process of selection this year was no exception, but of all the possibilities, we believe that we elected a very worthy recipient. Other than a classroom teacher, the 1975 dedicatee is a sponsor of many organizations, including a club related to her teaching field. She also helps with many extra-curricular activities. Any time some one asks her for help, this year's dedicatee is always ready to oblige.

Her personality is such an outstanding one that any one who knows her, develops a certain affection for her. Dullness can never be used to describe her classes. Stimulating and creative are the best descriptive adjectives associated with her instruction. People describe her personality as jocular, dynamic and possessing a great sense of humor. For these reasons, the 1975 *Alcova* is dedicated to Mrs. Bonnie Hodges.

Mrs. Hodges assists Barbara Miller with one of her projects.

Mrs. Hodges takes time out of her busy schedule to help two of her students.

ACADEMICS

Mr. Cvizic — "Chief" of A.C.H.S.

Mr. Dusan Cvizic

Mr. Cvizic is involved with both students and teachers as he goes through the hall.

The telephone ringing interrupts an important conference; students need consultations; teachers express their concerns: All of these occurrences characterize a day in the life of Mr. Cvizic.

Most people don't realize the extreme pressure that a principal must bear, and not express fatigue.

Even though problems concerning the administration of the school take a great deal of his time, Mr. Cvizic always has the willingness to listen and talk with the students.

To Mr. Cvizic we extend thanks for many "Happy Days" at A.C.H.S.

A student seeks advice from Mr. Cvizic.

Walker and Rhea Assist in Leading A.C.H.S.

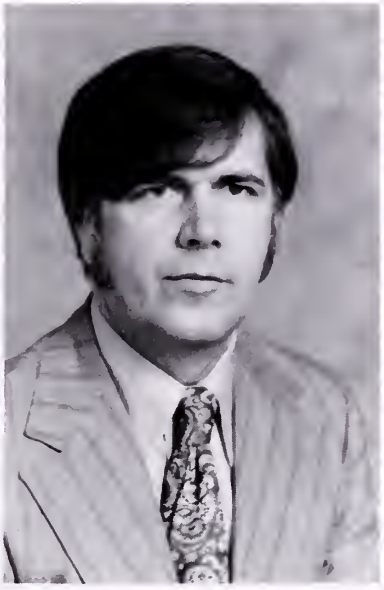

Mr. Walker and Mrs. Humbert ham it up for the picture.

Mr. Walker confers with Nick Nickel about the stage lighting.

Edward E. Rhea

Charles F. Walker

Mr. Rhea checks his records after a basketball game.

Most students meet Mr. Walker or Mr. Rhea early in their high school career. It doesn't take long for observers to note that these men are faced daily with a very busy schedule.

Changing schedules, giving absentee slips, and regulating sport activities are only a few of the responsibilities with which the assistant principal is confronted.

Mr. Walker and Mr. Rhea devote much of their time to making our school a smooth and efficiently running machine.

School Board Guides the School System Through a Period of Change

SCHOOL BOARD MEMBERS Seated L. to R.: Delbert Hepler, Don Gross, Dora McCaleb, Jack Copenhaver, Ben Letson, Frank Hammond, Richard Poe.

Dr. James Heywood

Change is inevitable, and constructive change characterized the school board of Alleghany County. New faces and new ideas were added to the board.

Each year the school board is responsible for deciding upon policy that will affect the whole school system.

Exams, textbooks, and school supervision constitute a significant proportion of the school board's time.

Mr. Letson, county superintendent provided leadership for the School Board Administration and faculty.

Dr. Heywood helped to coordinate the courses of the different departments.

Secretaries Help Keep A.C.H.S. Running Smoothly

How high is the sky or how deep is the ocean — ridiculous questions right??? These ironically however closely approximate the many unanswerable questions that secretaries may be faced with daily.

Answering the telephone, typing letters, writing passes, and consoling ill students account for a significant number of duties of our secretaries at A.C.H.S.

Mr. Finks "hangs loose" after a hard day of work.

Mr. Weaver is involved with his lecture.

"One o'clock, two o'clock, three o'clock rock, . . . We are going to rock around the clock tonight." Refrains of this song were echoed in the English classes as teachers attempted to bring the trend toward the 1950's nostalgia into their rooms. Teachers assigned contemporary project reports, papers, and stories they hoped would help the student gain a mastery of the English language.

The traditional was not ignored. Teachers still assigned parts of speech, punctuation, and book reports.

Students Discover "Happy Days"

Mr. Grady displays a friendly smile for the photographer.

Jean Conner

Ms. Conner experiences the feeling of being a student.

Alice Dills

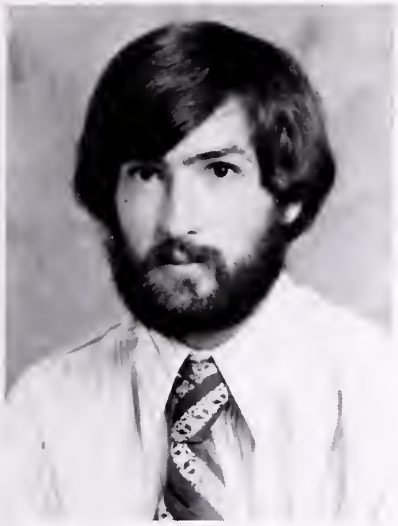

Students discover that the study of mathematics is a challenging new world in which they learn things about angles, lines, planes, and other symbols.

This year's eighth grade class has the privilege of encountering the new individualized math course, in which the students work at their own speed. For those students who can pursue more complicated concepts they can enjoy taking Algebra, Geometry, and Trigonometry.

Nancy Wilkin

The Science department at A.C.H.S. offers a wide variety of subjects. Eighth graders start out with Physical Science while tenth graders are required to take Biology. Those wishing to further their knowledge in the science fields may take either Chemistry or Physics.

Two new teachers were added to the Science department this year, Miss Wilkin and Mrs. Forst. Mrs. Humbert, Mr. Holbert, Mr. Merica, and Mr. Newberry help to establish an atmosphere of familiarity in the Science department.

Mrs. Humbert grades her papers carefully.

Wesley Reed

"Let me make it perfectly clear," says Mr. Weade.

Mr. Carter gives the photographer a perplexed look.

Watergate . . . tax refunds . . . inflation . . . the constitution . . . economic situation . . . Roman Empire . . . geography . . . are a few of the many topics discussed in the social studies classes at Alleghany County High School. The diversity helps to contribute to the stimulating atmosphere of most classes. World History, World Geography, Sociology, Teenager and the Law, American History, U.S. Government were subjects that students participated in during the years at A.C.H.S. Projects, term papers, special reports were indications of the different procedures in the social sciences.

Mr. Wolfe lectures informally to his class.

Spanish and French Constitute

Gloria Karnes

Elizabeth Sumner

Miss Karnes proves that group discussions can be amusing.

At A.C.H.S. students can choose between Spanish and French. Students taking Spanish may go from Spanish I to Spanish IV while French I and II are open to other students.

In Spanish I, students learned the basic sentence structure and dialogue while the Spanish II, III, and IV pupils learned the customs of the Spanish speaking countries.

Mrs. Sumner prepares to give a student his grades.

French, another foreign language taught at A.C.H.S., provided the basis for learning the language and history of French. Drills, records, and actual conversation constitute much class time. In March some French students traveled to Quebec.

A.C.H.S. Gains New Band Director

This year the A.C.H.S. band gained a new band director, Mr. Donald Ruzek.

Some of the activities engaged by the band were playing at football games, participating in parades and giving concerts for the student body as well as the public.

At the end of the year the band boosters had an annual banquet for members of the band. At this time band members received awards and the senior members were honored with gifts.

The Choir Makes A.C.H.S. "Believe In Music"

Lynda Thompson

Mrs. Thompson directs third year choir members.

The choir is divided into three different groups; first, second and third year. Under the direction of Mrs. Lynda Thompson, the combined choirs put on a Christmas concert for both the public and school and performed at the all-country festival. Third year choir had to go through tryouts to be considered a part of the "Performing Choir." The performing choir traveled to various churches and put on a show entitled "Cabaret of Music."

Mrs. Thompson provides the music for Choir II.

Push-ups, sit-ups, basketball and volleyball are part of the Phys. Ed. program at A.C.H.S.

Our classes not only teach physical education but health, first aid and driver's ed. are important factors of this class.

The department retained its previous staff. This contributed to a well organized department.

"Express Yourself" Through Art

In the art classes at A.C.H.S. a student can express their individuality through various creative drawings. This year, the art department has gained a new face; Mrs. Mary Ervin.

Mrs. Hodges and Mrs. Ervin gave students the chance to reveal their artistic talents. Students were given the chance to work with papier maché, pottery, leather, paintings on canvas and many different other projects. Some of the projects that are made by the students are put in art shows. Some are even put in area competitions that win and go to the state.

Art students are given the opportunity to display their talents and express their creativity openly.

Business Curriculum Is Revised

Nora O'Farrell

Maude Raye Swartz

Ms. O'Farrell helps a beginning typist.

A-S-D-F ;-L-K-J is not an incorrectly spelled word — but is a familiar sight to those students who have had a typing course. From simple beginnings the novices are brought to levels of rapid and accurate typing.

General Business teaches consumer education which includes marketing and price comparisons.

Business at A.C.H.S. provides a broad background in the organized and efficient world of business.

Mrs. Swartz pauses to help a student catch up with some work.

D.E., Putting Learning Into Action

A busy atmosphere fills the D.E. room.

Billie Johnson

Mrs. Johnson congratulates All State D.E. winner, Ralph Tucker.

It has been said that "Experience is the best teacher" and this philosophy very aptly describes what happens in D.E. class.

Students are given the opportunity to apply what they have learned in D.E. Proper attire, anticipated problems, good salesmanship and effective advertising are some of the many skills to which the students are exposed.

Mrs. Johnson returned to Alleghany as instructor and helped the students gain experience before going from the classroom into the real world.

Mrs. Johnson talks over available jobs with students.

Home Economics

Betty Clinedinst

Maria Perdue

Mrs. Clinedinst says, "Now where does this belong?"

Mrs. Perdue demonstrates the proper technique for measuring a hemline.

Cooking, sewing, personal hygiene, and home care are a few of the many and varied subjects that are taught to students enrolled in the Home Economic courses at A.C.H.S.

Many people have tried to master the art of preparing dinner, making a dress, or learning the proper grooming procedures — with the aid of the Home Economic teachers these aspirations are not impossible goals to be gained.

Mrs. Perdue and Mrs. Clinedinst provide the teaching and are able each year to provide unique home-oriented learning experiences for everyone.

Industrial Arts

Mr. Rudd checks over a student's work.

Robert Knabenshue

Mr. Ayers smiles at a humorous statement a student makes.

In the Industrial Arts course at ACHS students can express their creativity through wood and metal shops and also mechanical drawing. The instructors show the students how to use the intricate equipment as well as teaching the very basics of architecture.

Mr. Knabenshue demonstrates the proper use of the power saw.

Humanities — Special Education Are Two Unique Courses At A.C.H.S.

Miss Burton is startled by the photographer.

Humanities is a coordination of English and history. Only juniors may participate in this two hour course.

The students get involved in many activities — exploring history of the country, cultural heritage, etc., all help to develop proficiency in history as well as English.

Students try hard to concentrate while in Humanities.

Happiness is getting a test back that has a passing grade.

Rosalie Kunert

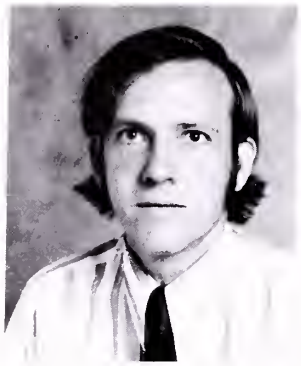

"Does this smile suit you, Ms. Photographer?"

Alleghany acquired a special education teacher, Ms. Rosalie Kunert.

Friendly and extroverted Ms. Kunert has provided many students with a classroom in which students may work at their own speed.

Mr. Carpenter consults a parent by the telephone.

What kind of job would be best for me? Should I go to college? How about vocational school? Should I ask for help with my problems? These and many other examples are questions that students take to the guidance department.

This department is a nucleus of hard working counselors who help the students cope with school and its related problems.

Even if students don't go to the Guidance department frequently at least they know that if they need help the Guidance counselors offer "A Helping Hand."

Mrs. Earehart and Mrs. Reynolds give career assistance to these young men.

Mary Helen Wolfe

Sarah Peters

Mary Stinnett

Ms. Peters and Ms. Wolfe seem to be really involved with their work.

Students crowd around the desk to seek the aid of Ms. Peters.

Loud noises, and slamming doors contribute to the atmosphere of the halls of A.C.H.S. but do not exist in the large room known as the library.

Ms. Wolfe and Ms. Peters offer supervision and aid to those students who must find a book for a report or complete a research paper.

The teachers as well as students find the library as a central source of information about many subjects.

Books, records, and filing provide an atmosphere of learning.

Ms. Wolfe states, "No, **Wuthering Heights** is not available.

Austin, R. Brown, B. Nicely, B. Wade.

This year's edition of the Varsity Football team may have been the best in the history of Alleghany County High School. They were brilliant from the very start.

The first four opponents did not even manage a score against the potent Colt defense. Their opposition in the four games were James River, "rival" Covington, Lord Botetourt, and "tough" Harrisonburg. Alleghany completely dominated Covington by the impressive score of 17-0. The inspired victory over Harrisonburg was equally impressive as it was Harrisonburg's only loss of the regular season. In the fifth game of the season the Colt defense was scored on for the first time, as they played Glenvar to a hard fought 13-13 tie. They recorded their fifth win as they triumphed over rival Clifton Forge by a commanding 26-0 score. They posted their sixth conquest against Waynesboro as they remained undefeated. The following week William Byrd stunned the Colts and fans as they scored in the last seconds to tie Alleghany 6-6 on Homecoming night. The next week Alleghany returned the favor as they scored in the last minutes to defeat Greenbrier East in an electrifying 18-13 victory. The last game of the season brought about the first defeat Alleghany experienced as Andrew Lewis knocked Alleghany out of a district title and a regional berth with their triumph. Thus ending a 7-1-2 campaign for the "HEAD HUNTERS ELEVEN".

All in all it was a fantastic football year at Alleghany. The 1974 varsity Colt football team will go down as one of the greatest in the history of Alleghany County High School.

Alleghany's Junior Varsity football team had a fine year and turned in a good 4-4 slate. The team showed a marked improvement as they doubled the victory total of last year. The team had a break even year with the two area rivals as they posted two lopsided wins over Clifton Forge but also lost twice to Covington. They also squeaked out a win over district counterpart Glenvar. The other win came against James River which was important because it was the opening game of the year. The remaining two losses came at the hands of district foe William Byrd and powerful Northside.

On the surface it appears that the 8th grade football team had a mediocre year as they finished with a 3-3-1 record. They played a much tougher schedule than most 8th grade teams and this resulted in a couple of dark spots on the record.

In the first two games, the Colts played outstanding defense and shutout both Botetourt Intermediate, 6-0, and Covington, 8-0. The next week disaster struck the baby Colts as they lost to an experienced Lord Botetourt Freshman team by a 40-0 count. They then defeated Covington again, this time by a 22-14 score. The Colts played an inspired game against an older Bath County J.V. team but could manage only a tie. The last two games of the season were disappointing for the team however as they lost to two teams that they had defeated before.

The fine athletes produced by the 1974 8th grade team creates a bright future for the A.C.H.S. football program.

Time out to listen and learn.

Dana, Anne, Janice, and Mary Beth warm up before a game.

As the final buzzer made its voice heard through the gymnasium, the 1974-75 varsity girls basketball team had reached the conclusion of another quite impressive season. Under the direction of Miss Beverly Haynes, the girls traveled to many schools and hosted a number of "arch" rivals. The season began with an impressive victory and with the exception of a few defeats the "Fillies" kept the winning spirit.

Teamwork and cooperation characterized the effort of all the members.

"Being able to accept defeat as well as victory after you have tried your best" is what one member said.

Janet Mays served as a capable team captain and Sandy Lemon was High scorer.

The seniors: Roberta Smith, Janet Mays, Marla Smith and Mary Beth McCaleb regretted this as their final season.

Although this was the final season for the seniors, it was only a beginning for the team.

This year's J.V. Girls Basketball team proved that girls can play a successful and exciting role in sports at A.C.H.S. For the efforts the girls put forward in the '74 season they received a 7-3 regular season record. One can truthfully say the young "Fillies" successfully accomplished a difficult task.

Alleghany's Cross Country team had an off year last year. The team had two good efforts when they defeated Clifton Forge and Giles County. This didn't help to make up for the five losses but it did show that the talent was there.

You've got to jump up high and get it!

Injuries played a big part in hindering the basketball team from having a successful season. By the end of the season only two of the players who started at the beginning of the year were still available to play at the end.

Harry Kimbo, a late but impressive starter, led the team in rebounds and blocked the most number of shots.

David Noel, a consistent player, led the team in scoring with 13.4 points per game and 67 assists.

The team did gain a lot of experience and three of the starters will return next year. So, the future looks bright and the time may come soon when the Colts of Alleghany County will have to be reckoned with.

It's How You Play The Game

Wade Jordan dribbles away from a crowd as Tony Scialioa starts off for a fast break.

Cheerleaders change their idenity into majorettes. **Right:** The cheerleaders ended the year with as much spirit as they exhibited in the beginning.

The cheerleaders for the school year, led by Kathy Newcomb, did much to inspire the varsity athletic teams at Alleghany to bigger and better things. They instilled hope in the boys when they were behind and led them on when they were winning.

They conducted exciting pep rallies which got the entire school in the spirit of the occasion. They also added a lot by putting up posters with catchy sayings on them. Also, the girls baked cakes and provided other goodies for the players before the games.

All in all the cheerleaders had a very successful year. In fact, the only bad part about it is knowing that Kathy Newcomb, Kristie Poe, and Grace Ray will not be able to return next year.

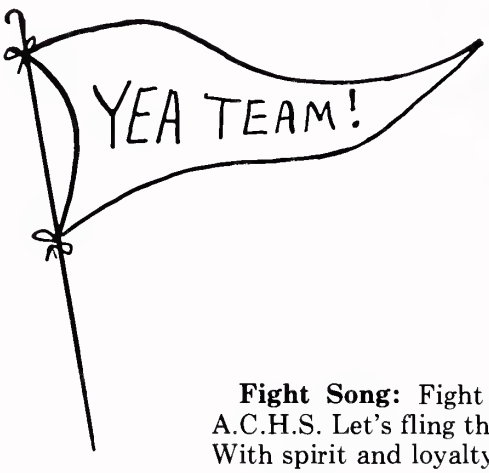

Are The Best Around

The cheerleaders show their enthusiasm at a pep rally.

Cheerleaders "get it together."

Fight Song: Fight boys let's do your best. We're fighting for A.C.H.S. Let's fling the banner high, for we know that victory's nigh. With spirit and loyalty we will march on to victory, for we're true as we can be to Alleghany High.

2nd verse: Fight boys. Let's spurt your stuff. Let's show them you're really tough, for we are the best around and no one can put us down. We'll fight til we win the game, then march on to greater fame, for we are the best around, oh, Alleghany High.

"Come on boys. Let's make a touchdown."

Kathy and Grace give Coach Williams a "victory cake."

J.V. Cheerleaders Provide Happy Days

L. to R.: G. Altizer, C. Stone, K. Simpson, D. VanBuren, M. Livesay, S. Stone, L. Smith, T. Hammond.

The J.V. cheerleaders, led by Tammy Hammond, provided much enthusiasm and pep for the Junior Varsity sports team. Although they didn't receive as much publicity, they showed as much school spirit as did the varsity. They did not always cheer for a winning team but their zeal wasn't dampened.

It was a rewarding year for all the girls and the experience they gained as J. V. cheerleaders will aid greatly those that go on to become Varsity cheerleaders.

8th Grade Cheerleaders Show Spirit

"Come on, we want some action!"

Coming together from different Elementary Schools, last year's eighth grade cheerleaders did a great job by combining their talents to form an outstanding cheerleading squad. Practicing long hours and showing strong determination, they came together to give inspiration to the various 8th grade athletic teams.

They showed spirit and kept behind the boys even when they were cheering for a losing team. Their zest was not restricted to the 8th grade teams. They joined with the whole student body to show school spirit and determination.

The experience they gained in their first year at Alleghany will aid them in becoming Junior Varsity and Varsity Cheerleaders.

Wrestling Cheerleaders — A New Addition

L. to R.: Mary Burks, Crystal Sizemore, Sally Smith, Cheryl Campbell, Carol Roberts, Becky Davis.

Cheering comments by Coach Carpenter, the cheerleaders wait to present the seniors with corsages.

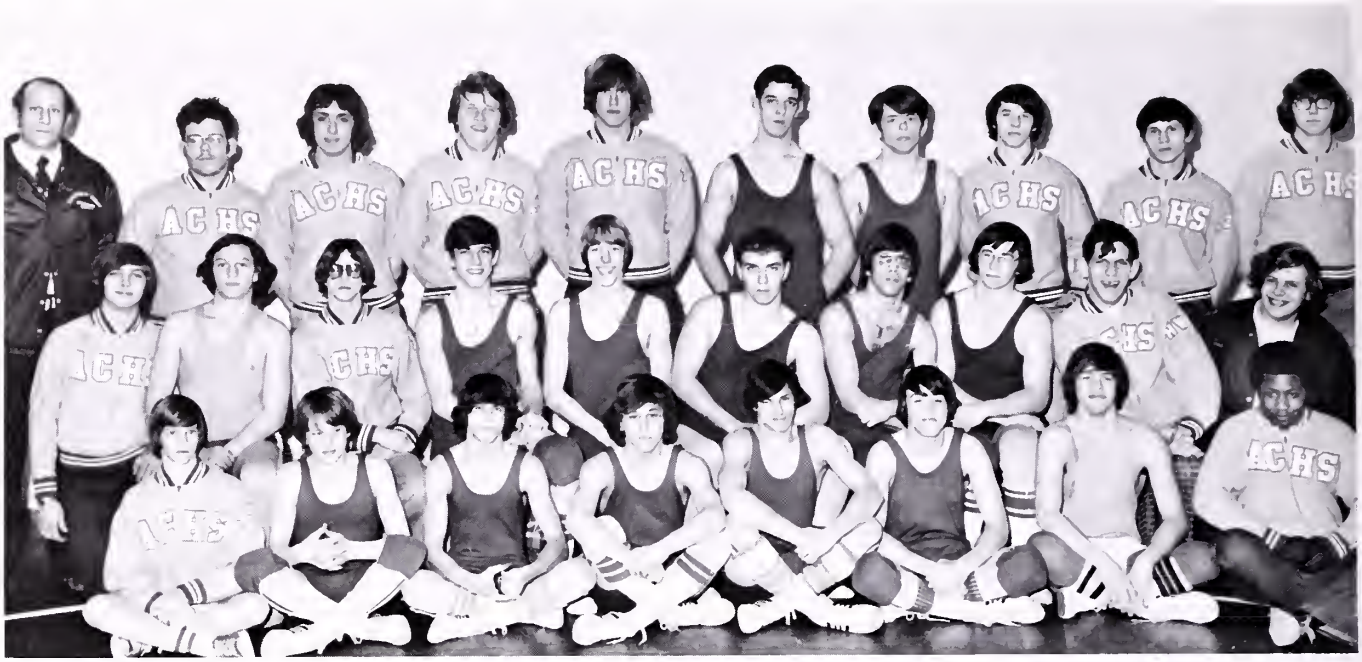

Even the J. V. coach gets a present from the cheerleaders.

The cheerleaders give it their all in supporting the wrestlers.

The newest edition to the fine cheerleading squads at Alleghany came this year in the form of wrestling cheerleaders. Six girls: Cheryl Campbell, Crystal Sizemore, Mary Burks, Sally Smith, Becky Davis, and Carol Roberts, took over cheering at Alleghany's wrestling matches. They did much to arouse the spirit and determination of the wrestlers as they cheered them on to a great 7-3 record. This was one of the best records ever and the cheerleaders played a big part in it.

The varsity wrestling team had a great year as they went through the regular season with an excellent 7-3 record. In the regular season they finished third in the Blue Ridge District, which has had the state championship team four out of the last five years.

They had a mediocre performance in post season tournaments though which was the only sore spot of the whole season. Roger Brown had outstanding tournaments though as he placed 2nd in the district, 3rd in the regionals, and 5th in the state.

They again showed their superiority over the other area wrestling teams by soundly defeating both Covington and Clifton Forge. In a new event they went to Greenbrier East and placed fourth in their tournament.

This is how it all begins.

Junior Varsity Wrestling gives students a chance to master the art of wrestling, develop skills and expertise, and then move into varsity sports.

The J.V.'s experienced a disappointing season. But as the philosopher once said, "it's not whether you win or lose, it's how you play the game," that counts.

The matmen learned from their coach, Mr. Uzzell that sports take much time and energy. They devoted themselves to follow his instructions.

With the combination of talent and determination, the girls' track team placed second in District competition and third out of 17 schools in Regional AA competition. Janet Mays and Roberta Smith, captains of the team, Grace Ray and the 880 medley relay team consisting of Ray, Melveen Adkins, Teresa Wilhelm and Mays went on to compete in State. All the while, they were breaking every record made last year and some of these will be hard to top.

Grace Ray holds the record for the 220 yard dash with the time of 28.7. Liz Jordon maintained the 80 yard hurdles with a 12.7. Grace Ray also holds the 100 yard dash with a quick time of 11.7. The one mile run, a new activity that was added to the girls' track events, is held by Janet Mays with an impressive time of 5:38.6. The 880 yard relay team consisting of Karen Johnson, Kitty Simpson, Sherry Bragg and Liz Jordon has the time of 2:07.9. The 440 is held by Kimmy Harrison with a 1:07.

The 880 yard run is held by Janet Mays with an outstanding time of 2:19.6. The mile relay team including Angela Cottrell, Brenda Terry, Janice Coffey and Kimmy Harrison holds the time of 5:02.9, and the 880 medley relay team holds the time of 1:58 flat.

In field events, Karen Johnson leaped 15'4½" to clinch the record for the Long Jump. Karen also holds the record in the high jump with a terrific 5'. Tammy Smith heaved the shot to set the record at a 31'7 3/4", and Roberta Smith set the discus record with a long flying 101'8".

Miss Haynes, coach of the track team, was very pleased with the season. The only word she could use to describe them was "fantastic."

Seniors Grace Ray, Janet Mays and Roberta Smith will be missed next year as they were three key scorers, but the team has such depth that they should still be highly successful in the years to come.

The contenders were much rougher this year than last. Last year Alleghany clinched first place in the district with the combined score of 362. This year, that score would have given them no more than sixth place.

If the players' scores keep improving as they have, the outlook seems great for the Alleghany "swingers."

The varsity baseball team had yet another outstanding season in 1975. Using a veteran team which had 7 senior starters Coaches Dunn and Carpenter took the team farther than any team at Alleghany has ever advanced in the playoffs.

The team won the regular season Blue Ridge championship on the last day of the regular season as they beat William Byrd, 11-3. Another big highlight of the year was a sparkling no-hitter by "Dinky" Simpson against Lord Botetourt.

Then on the Saturday following the win over Byrd they beat Andrew Lewis and William Byrd again to win the tournament title also.

Then they advanced to the Regionals and beat Brookville, 4-3, and last year's AAA state champs Amherst 4-2, for the title.

In the state semifinal they beat Blacksburg, 2-0, before losing in the AA state championship game to Turner Ashby, 12-0.

Kristie presents a more formal aspect of Homecoming during the presentation of candidates to the student body.

Silence filled the empty gymnasium. The last song had ended, the last couples had left the floor, and all was quiet as Homecoming 1974 came to a close.

Only a little while before had the room been alive with the music of Sebastian and Company, and the enthusiasm of "Victory Stadium" filled the minds of everyone there. It was an especially joyful and memorable night for Grace Ray, who reigned over the Festivities as Homecoming Queen 1974.

Drama Class Presents "A Hillbilly Christmas Carol"

"Grandma took sick and Ma and Pa had to go tend her," Lizzie says as she explains their arrival.

"Where are all the young-uns?" questions Widow Hinkley as she finds the house empty.

"He's a man, ain't he?" says the Widow as she refers to Joshua Frunheiser.

"A Hillbilly Christmas Carol" was presented to the faculty and students of A.C.H.S. by the drama class here. Directed by Miss Webster, the production starred Richard Waddell, Alma Mundy, Jackie Farren, Trish Scott, Steve Miller, Tom Rothe, and Rhonda Downes. It was a take-off on the original play "Christmas Carol," by Dickens.

Throughout the play, the audience was kept thoroughly entertained by the antics of the actors, especially the Widow Hinkley's attempts to snare Joshua Frunheiser. It was indeed an enjoyable production and the drama students deserve a lot of credit.

"Joshua Frunheiser, you mean you got the young-uns penned up with the hogs!" exclaims Widow Hinkley.

Steve Miller reflects over the absence of a Christmas tree in the lonely cabin.

Couples Find Themselves In A Spanish Night

Tami Cook and Garland Humphries slow down the pace along with "Liberation," during the Spanish Club Dance.

Denny and Debbie gaze dreamily into each other's eyes.

On "A Spanish Night" in November, students and guests attended the annual dance sponsored by the Spanish Club. Music was provided by a local band, Liberation. Those who did attend the dance, which was held in the gymnasium, had plenty of room to move around and express themselves as there were not a lot of people there due to other area events. Sponsors, Miss Karnes and Mrs. Sumner, were presented with bouquets of flowers in appreciation for their time and their hard work with the club. A good time was had by all who attended.

"Well, do you want to dance, or don't you?" Jimmy asks Cindy.

"Twas the Night Before Christmas" was the theme of the Christmas formal this year. Because the dance was again delayed by snow, it turned out to be closer to Christmas than had been expected. "Evil" from Clifton Forge provided music for dancing and Trixie Hicks sang for special entertainment.

Everyone moves with the music.

Arts Department Presents Christmas Program

The band pauses while their next number is being announced.

The choir, accompanied by the band, sings "Silent Night."

Presented by the Fine Arts Department, a Christmas program consisting of music and art projects was held prior to Christmas Vacation. The eighth grade band performed, as did the rest of the band and the choir. Art projects were displayed in the lobby during intermission.

The band played several selections, including a number of songs from "Godspell." A few selected band members also performed with toy instruments to the composition "Toy Symphony," by Haydn. The choir sang several old favorite carols and the program concluded with the audience joining both the choir and the band in the singing of "Silent Night."

Band members perform with their toy instruments.

Paintings and papier maches by art students are displayed during intermission.

Competes Against Male Faculty

Mr. Williams searches vainly for his teammates, as he appears to be all alone.

One of the Redheads scores two for her team, as the margin in the score widens.

A nationally popular basketball team visited Alleghany on a December night to face the ominous male faculty. The Redheads were a group of women who all had a couple of things in common — red hair and basketball.

Despite a sluggish start, the male faculty of A.C.H.S., who had a little outside help, came back to tie the game and send it into overtime. When the game was still tied at the end of the first overtime, they held a second one and this time, the Redheads pulled away. Mr. Walker, who had come out of retirement to coach the team for this game, saw his charges defeated by a surprisingly small margin.

As one of the Redheads attempts a free throw, she is distracted by the team clown.

Mr. Rice tries to break away to set up a big play.

"Just An Old Fashioned Love Song"

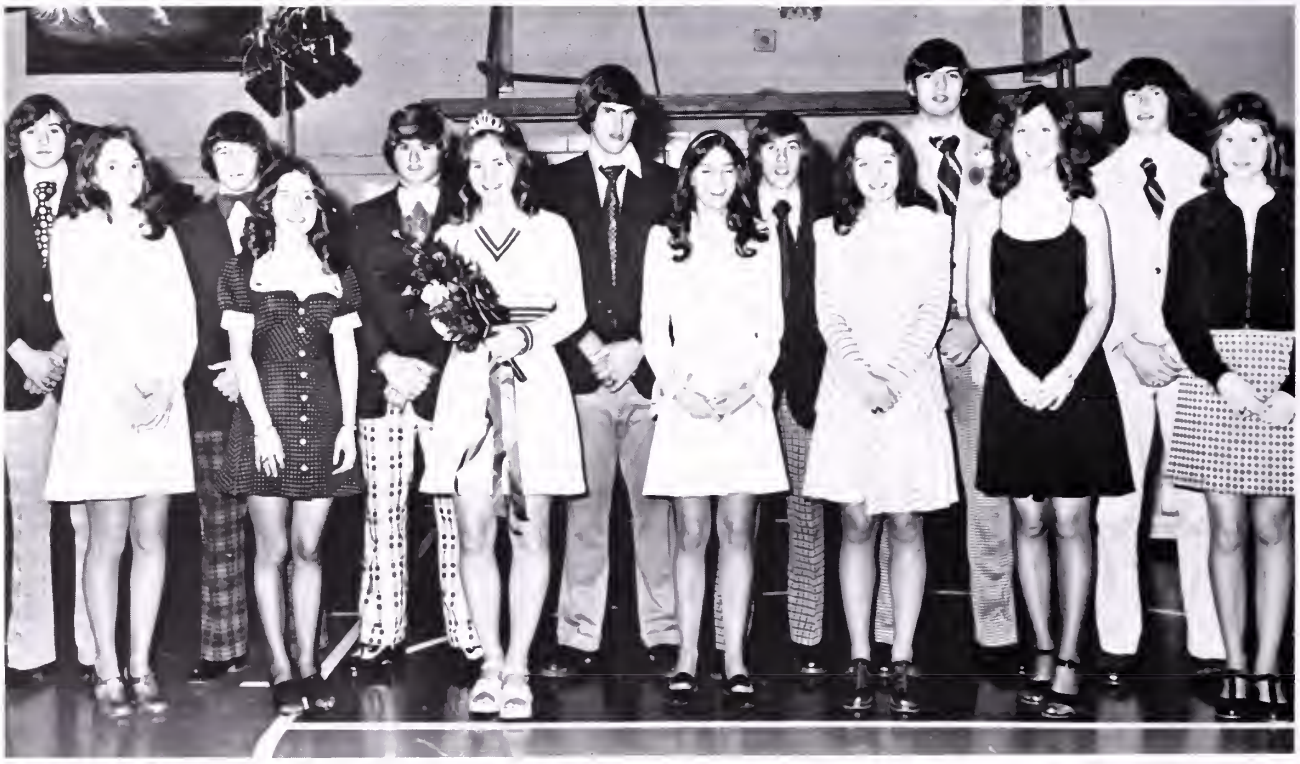

Cadillac provides excellent dance music.

"Just an Old-fashioned Love Song" played here at Alleghany when the Senior Tri-Hi-Y sponsored the annual Sweetheart Dance. Cupids, hearts, and posters of "Love" graffitti decorated the gym and the music that filled the air was provided by Cadillac. Kathy Newcomb was voted Sweetheart Queen and Gary Crossland was voted King.

Black Heritage Week Is Observed

A small part of African culture and craftsmanship is displayed in the showcase.

Black Heritage Week was held during March at Alleghany. Displays of various aspects of black culture were found throughout the school, including excellent art work in the lobby showcase.

The highlight of the week was a special program presented on Friday. William Iromuanya, a Nigerian who is currently studying at Eastern Mennonite College, talked to the students about his country.

Several black students demonstrated various dances which originated by blacks and then shared their dances with several of the more adventurous teachers.

The choir performs in "A Cabaret of Music."

Presented by the performing choir, "A Cabaret of Music" provided a variety of entertainment for students and the community. The program consisted of all kinds of music, from Broadway musicals to popular tunes. Also, tunes from several parts of the country gave a special patriotic salute for the upcoming bi-centennial.

Dancing girls, who performed can-can routines to a couple of the songs, added a special touch to the program. The stage crew worked hard to provide lighting which also added greatly to the effect. Special recognition should go to Mrs. Lynda Thompson, who was in charge of the musical part of the program.

Richard Waddell plays an important part in the concert as he accompanies the choir on the drums.

Several of the girls participating in the concert confer with Mrs. Hodges about some last minute details.

Graduation has always been a time of reflections and also a time of looking into the future, no matter what it may hold. The class of 1975 certainly had many unique accomplishments to look back on. Memories of the good times and the bad, the joy and the heartache, the self-confidence and the constant uncertainty of growing up all filled the minds of the seniors as their high school days came to a final close.

Jane Lawler, valedictorian, reminded the seniors that winning does count, but that winning at any cost is not always considered a victory. M. B. Kincaid related to the students and parents that now, as young adults on our own, advice still should be welcomed. However, she stated, the burden of the final decision now rests on our shoulders alone.

With a look to the past and a questioning stare into the future, the Class of 1975 walked out of Hodnett Hall into a world of limitless opportunity for those who reach out to life.

Each year the Sr. Tri-Hi-Y, a club composed of sophomore, junior and senior girls, renders services to both the school and the community. Their activities range from sponsoring the annual Sweetheart Dance to participating in the Model General Assembly. In April of this year, seven members of the club and the club sponsor, Miss Body, attended the Model General Assembly.

By far one of the most active clubs, the Key Club performed many services to both the school and the community. For example, during the Christmas holidays they hosted a Christmas party for the younger boys at Boy's Home and also manned the Salvation Army booth for a day. In March, the Key Club provided their annual entertainment by obtaining the number one band in the state, Chess.

The NHS meets informally during the activities period.

Each year the Alleghany County High School has an assembly in which initiation of students into the National Honor Society takes place. These selected students and old members have achieved excellence in scholarship, leadership, and service to both the school and the community. The Honor Society awards a one hundred dollar scholarship to a student planning to attend Dabney, which is one of the many efforts on the part of the NHS to encourage learning and integrity.

Pom Pom girls at A.C.H.S. are great morale boosters. They provide skilled routines at pep rallies, ball games, and special assemblies.

Each of the girls is selected by a panel of judges which consists of teachers, senior members of the squad, and band instructors.

Every year the girls have many varied routines that they perform before the school.

Pep Club

PEP CLUB '75

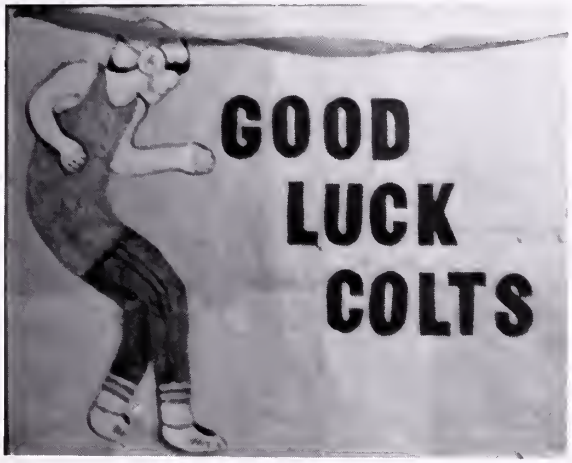

Enthusiastic is probably the most descriptive word that might be chosen for the Pep Club.

A group of hard working students have made it their purpose to help create an atmosphere of pep and spirit.

The Pep Club helps to inspire the school as well as the team. Some of the many activities sponsored by the club are decorating for Homecoming, constructing posters, and planning bus trips to away games. Each year the Pep Club leaves a memory of cheers and songs echoing in the halls of A.C.H.S.

Kathy Jamison and Alma Mundy, Pep Club officers, confer about the posters for the next game.

Each game, finds the halls filled with posters to inspire the teams.

Ms. Horn and club members formulate a charter for the new club.

Reading can be fun and informative — this is the basic philosophy of the newly formed reading club.

Officers were elected and a constitution written. The Reading Club could well help to make books become a great sport.

The Art Club and the sponsors are engaged in making future plans.

Art provides many with a mode of expression that might otherwise be unavailable. The Art Club believes in this philosophy.

Although not extremely active during the '74-'75 school year, the club did make future plans for field trips and began work on a mural for the school. The sponsors for the club were Mrs. Hodges and Mrs. Ervine.

Drama Club

With Mr. Tom Weaver as its sponsor, the drama club had as its purpose to promote an interest in drama and its related production.

Members of this organization journeyed to Greenbrier East to see a production of FUNNY GIRL.

Despite infrequent meetings and organizational difficulties officers were elected and plans were made to compose a constitution.

Officers were:

CLASSES

Happy Days for the Class of "79"

CLASS OFFICERS Left to Right — Ralph Kelly — Treasurer, Ruldolph Quarells — Vice-President, Davy Cullen — Secretary, Sally Showalter — President was Absent.

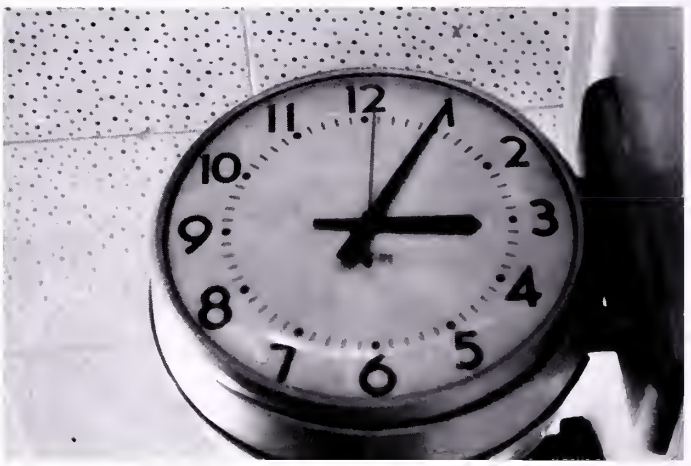

Eighth graders finally got their chance to experience what they had always heard of as "the school". "The school" as translated into general terms was high school and that more specifically became **ACHS.**

As seventh graders, they were greeted by guidance counselors who informed them of the courses and social activities that would enter their lives in September of 1974. But it was far-off in the future.

September arrived and a confused and possibly somewhat disoriented group of eighth graders disembarked from the bus to find themselves before the doors of ACHS.

The first formal dance marked a change in the routine from that of elementary school. They had indeed managed to transform grade-school students into 'real' high school people.

For some, transition was easy, for others it was not. Whatever the response or reaction, eighth graders moved into the beginning of memories they would treasure as Seniors and began "Happy Days" at Alleghany County High School.

Eighth graders learned to look forward to 3:05 p.m.

The Class of "78" Became Veteran High School Students

NINTH GRADE CLASS OFFICERS From Bottom to Top: Vice President — Alan James, President — Sandy Stone, and Secretary — Amy Martin. Treasurer — Ann Jordan was absent when the picture was taken.

Ninth graders finally emerged from the period of apprenticeship known as the eighth grade. They had learned some of the problems and frustrations but also learned the joys of being a high school student.

They found themselves in the position of guiding the future with seriousness and ambition. Alleghany became a prominent part of their lives as they began developing into talented and responsible young people.

In facing their second year of high school the freshman class found numerous changes at Alleghany. Not only were ninth graders allowed to participate in different courses of study but they were exposed to new teachers.

Though still not as confident as upper classmen, freshmen became part of a four kaleidoscope that appeared so enviable at the beginning of the year.

Some 9th graders find out what it's like to have a make up test.

Several ninth grade girls work diligently in Home Ec.

Sophomore Class Leads Life of Action

As the class of 1977 entered into its Sophomore year, they faced new responsibilities and challenges. They faced the responsibility of setting the example of an ideal student to the underclassmen as well as striving to do their best in their work. Sophomores were challenged to make their class memorable.

Anticipation of the future increased as the students delved into the courses they had chosen — whether college preparatory, general, or business. Sophomores struggled with usual tenth grade courses as well as biology and geometry.

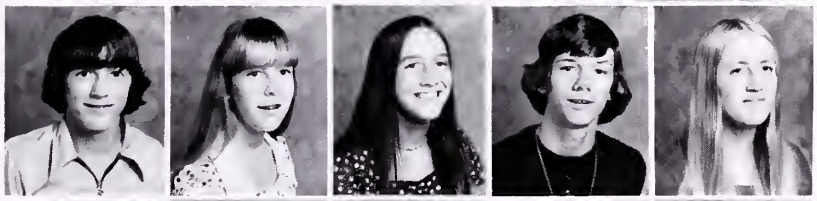

Not yet juniors but still no longer freshmen, tenth graders were immersed in the academic and extra-curricular activities. Willingly and proudly they accepted the idea that they had reached the halfway mark at A.C.H.S.

Sophomores Pursue Many Interests At A.C.H.S.

As The Class of '76 Reaches Its Major Goal

JUNIOR CLASS OFFICERS: Pres. Kathy Bodell, V. Pres. Lori Zimmerman, Sec. Patricia Terrell, Treas. Susan Platt.

Gleaming with their past success and anticipating the festivities of the future, the Class of '76 embarked upon an exciting and eventful year.

This year the juniors were offered the decision of taking a relatively new course; humanities. With the help of Miss Bogan and Miss Burton, they combined History and English. The arrival of class rings was a happy and exciting time for all.

Confusion reigned in the spring with preparations for the prom undertaken. The prom was a big success with gleaming juniors and seniors enjoying the evening.

As the year drew to a close, the Class of '76 realized the responsibilities and challenges lay ahead. They left behind their Junior ways and turned toward their Senior year with mixed emotions.

Juniors happily display their rings.

Rick Clemmons and Mark Burnett find something to smile about in Chemistry class.

College Catalogues, job applications, or "What am I going to do with my life" fill the air when Seniors start talking. Seniors are faced with leaving the "nest" and going out into the **real** world. Of course, before they leave they must pass that illusive government class — force their concentration upon writing that final English paper and of course, order the robes that will provide the dress for the final march down the aisle of the ACHS auditorium.

The moments when you had to dissect in Biology and learn the presidents of American history, attend the first formal all rush through the minds of **the Seniors.** Part of the senior wants the freedom of no classes and no teachers, but the other portion will miss the comfort of a class full of friends.

After almost 500 years, the American forest is still three-fourths as large as it was when Columbus landed.

It's hard to believe, but it's a fact. After supplying so much of the material and the land to build America's houses and cities and highways, after meeting our constantly growing demands for paper products, our forest is still 761 million acres big.

How have we been able to *do* so much and still *have* so much?

In the first place, trees are a renewable resource. They grow back, again and again. In fact, about the only way to remove a forest permanently is to remove the land itself. By paving it, for example, or covering it with a lake.

We've also been able to *add* to America's present forestland by reclaiming land previously lost to other uses, including millions of acres of marginal farmland. And to supplement natural planting, we're planting trees ourselves: more than a million and a half acres of forest a year—and *more* than one tree for every tree we use.

We've developed new methods to grow more timber faster on the same land base, too. For example, the forest products industry owns less than 9% of all the American forest. Yet this land provides the raw material for *one-third* of our wood and paper products.

A renewable resource, responsibly managed. New forests. And better ways of growing more timber faster. Almost 500 years and a new nation later, they're all helping to keep America green. And growing.
